June 29. Since the Caution given in this Gazette of the 8th Inflant, about the New-Jersey 8/X
POUND Bills, dated April 10, 1759; and That in our last Monday's, about Ten Pound Bills passing amongst us; there have been discovered false Jersey Bills of other Denominations, bearing different Dates, viz.

Dates, viz.

Tavelve Shilling Bills made out of One Shilling ditto, dated April 12, 1760.

Three Pound Bills made out of Three Shilling ditto, dated June 14, 1757; and it is thought there are Numbers of the like dispersed abroad.

The New York sale Ten Pound Bills, also appear to be of various Dates, and are all altered after.

to be of various Dates; and are all altered after the same Manner as described in our last, by having the proper Words, Figures and Devices erased out, and others fasted on in Lieu thereof: The same has been done on both Sides, with Regard to the Jersey Bills.

Some of the New-York Bills, that are rendered false, are printed on thin, others on thick, Paper:

To discover those of the First, hold it against the Light, when the Falshood will appear very perceptible; To discover those of the latter, bend the Bill back direct across the Word TEN, and the Letters will instantly scale off more or less at Top and Bottom; as will also all the other Alterations. The like is to be observed with the Jersey Bills .-

It appears that there has been 5 or 6 Men concerned in this very base and villainous Affair;-Three of whom were committed on Tuesday last to Goal, on Suspicion of altering and uttering the Bills, viz. Achelles Lewis, (Tavern-keeper, near the White hall,) who made a very large Confession of the Fact soon after he was detected in uttering them,—Ichabod Higgins, and Richard Cooly.—On the Confession of Lewis, one John Cooly.—On the Confession of Lewis, one John Higgins, Brother to Ichabod, appeared to be concerned, and that he was gone towards Philadelphia: Warrants being immediately issued, he was apprehended on Wednesday last, on his Return to New-York, between Bordentown and Amboy Ferry; carried to Amboy Goal, fetter'd there for a Night, and was brought hand cuff'd last Friday to this City, is now lodged separate from his Accomplices in the New Goal, and there is no doubt made but that they will meet with the Reward due to their Demerits.

It is said that John Higgins, when taken, had a large Sum of Half Johannes's about him, which he had gathered by changing the falle Money thro' the Jerseys and Pennsylvania.
